

COOP BUILDING & HOBBY

is Switzerland's leading DIY centre, focusing on gardens, homes and hobbies. As a "green" DIY centre, Building & Hobby offers a wide selection of products manufactured in an environmentally responsible manner. The in-store range comprises over 70 000 items – the integrated craft section alone numbers more than 15 000 items. The online shop allows customers to order over 57 000 items from the comfort of their own home. The purchased goods can be collected from the sales outlet or delivered to their door.
