

Milestones

30 years of Naturaplan

The first organic brand on the Swiss retail market celebrates its anniversary: in collaboration with Bio Suisse, Coop launched its pioneering Coop Naturaplan brand in 1993, under which it has marketed environmentally-friendly, animal-friendly products and completed sustainable projects for more than three decades.

New cosmetics production facility at Steinfels

Steinfels Swiss is investing around 35 million Swiss francs in a new cosmetics production building. This will ensure that the manufacturing company is optimally equipped to meet growing demand for sustainable Swiss cosmetics while also increasing capacity for the manufacture of disinfectants, detergents and cleaning products.

1 000

Investment in affordable consumer prices

Despite a challenging economic environment, Coop was able to lower the prices of over 1000 products. With Prix Garantie, Coop already offers a selection of over 1500 everyday essentials at low prices.

Supermarket managed by apprentices

In Deisswil (Canton Bern), Coop has launched a sales outlet that is being managed by apprentices for one whole year. Coop is one of the largest providers of apprenticeships in Switzerland, each year offering over 1000 young people vocational training in 32 different professions. As a cooperative, Coop is committed to providing innovative, comprehensive vocational training.

Rehabilitation of the Breil/Brigels dairy

Coop is enabling the urgent rehabilitation of the Breil/Brigels dairy via the proceeds from its traditional “1 August rolls promotion” with a total donation of 610 000 Swiss francs.

Digital banking and pensions solutions with Coop Finance+

In collaboration with several partners in the financial and digital services sector, Coop is the first company in Switzerland to launch a new, fully online solution for financial and pensions products, in the form of Coop Finance+.

Transgourmet receives multiple awards

Transgourmet Germany won PETA's “Vegan Food Award” in the “Best vegan brand” category, was a finalist in the “Eco Performance Award” for “Green Logistics”, was awarded “Employer of the Future” by the Innovationsinstitut für Nachhaltigkeit und Digitalisierung (innovation institute for sustainability and digitalization), and achieved the best score in the sector in the “Sustainability Rating” by “ecovadis Seafood Star 2024” for its own-label brand Ursprung at the 2023 Fish International trade fair.

Tremendous involvement in the fourth “Day of good deeds”

With the goal of “doing good together”, the Swiss population did hundreds of thousands of good deeds for the environment and society on Coop's fourth day of good deeds, which took place in May. Alongside a number of organizations and the key partners, this year hundreds of associations also made a major contribution.

Partnership with the Swiss Gymnastics Federation

Coop supports recreational sport in the field of gymnastics as a platinum partner of the Swiss Gymnastics Federation, reinforcing its long-standing commitment to gymnastics associations.

17

Numerous real estate products implemented

In the reporting year, Coop completed 17 real estate products, including one new build and 16 modernizations, renovations or restructurings.

>90%

Activation rate of over 90% for the employee app

Just one year after its launch, over 90% of employees have already activated the myCoop employee app. This app enables information to be shared and exchanged within the company and provides access to key services.

Coop named the world's fairest retailer

Coop was named the world's fairest retailer by Fairtrade International at the Fairtrade Partner of the Year awards held in Nairobi.

The first organic Swiss oat drinks

Coop has reinforced its commitment as a pioneer of organic products by being the first retailer to offer Swiss oat drinks with Bio Suisse Bud certification under its own-label brand Karma.

Transgourmet takes over Pomona Suisse AG

Transgourmet Switzerland Ltd. has taken over Pomona Suisse AG, a company in the French Pomona Group. The acquisition will result in an expanded product range for customers as well as boosting our logistics capacity.

Halba is Switzerland's most sustainable chocolate manufacturer

Chocolate manufacturer Halba has received top marks for its socially and ecologically sustainable production from the Mighty Earth environmental organization. No other Swiss producer has achieved better results.

Interdiscount greatly expands its online offering

The interdiscount.ch and microspot.ch online shops are being merged, leading to a significant expansion of the interdiscount.ch offering.

Donations for emergency aid in earthquake regions and for those affected by the landslide

Coop has supported the victims of the earthquakes in Morocco, Turkey and Syria as well as those affected by the landslide in Schwanden (Canton Glarus) with funds totalling around 130 000 Swiss francs.

A successful Green Business Partner Conference

Coop welcomed some 150 business partners and suppliers to the Umweltarena in Spreitenbach in order to draw up measures and strategies for achieving the net zero targets by 2050 at the latest. Coop and the other participants affirmed the importance of sustainable trade through specific statements of intent with regard to reducing CO₂e emissions.
